June 20, 2019

From: Afton Airpark Homeowners' Association Board of Directors  
To: All Lot Owners  
Subj: NOTICE OF ANNUAL MEETING  
Encl: (1) Meeting Agenda

The Afton Airpark Homeowners' Association Covenants, Conditions, Restrictions and Easements require that the Board of Directors hold an Annual Meeting. The 2019 Annual Meeting will be held on **July 20, 2019 at 5:30 pm at Afton Flight Service.**

As many lot owners do not currently reside near the airpark, the meeting will be conducted both live in Afton, at Afton Flight Service, and via telephone call-in for owners who wish to attend via teleconference. The call-in number and any access instructions will be emailed at the email address currently on file with the HOA to all individual lot owners and managing members or authorized representatives of entity owners prior to the meeting. Please take the time to ensure that Kelli has your current email and telephone information. More detailed instructions on joining the meeting will be posted on the Afton Airpark website (aftonairpark.wordpress.com).

A quorum is required to hold the meeting. Your participation in this meeting is important.

If you have any questions the HOA Board can be contacted via email at: AftonAirparkHOABoard@gmail.com

Please check the Airpark website regularly for updates and news, and to review any of the airpark documents at: <http://aftonairpark.wordpress.com>. This letter and the enclosures will be posted to the website under the Board tab. The password for owner content is **airpark**.

Very Respectfully,

Afton Airpark HOA Board of Directors

p.p. Joseph G. Kalus
